AYMAN ALI AL HUSSAM أيمن علي الحسام

Digital Marketing · Sales & E-commerce · Inventory Operations · Creative Content

Riyadh, Saudi Arabia | +966 56 335 9181 | aywisee@gmail.com | ayman-showroom.vercel.app

PROFESSIONAL SUMMARY

Multidisciplinary professional with hands-on experience across retail and branch sales, digital marketing and e-commerce, and warehouse inventory operations in Saudi Arabia. Ran Google Ads campaigns, SEO and a Salla online store while supporting sales across three branches; now manages branch stock movements in SAP ERP and Excel, contributing to a waste-indicator reduction from 1.80% to 0.80% in four months. Brings a creative eye for marketing content and uses AI tools to develop visual concepts and ideas. Studying Business Administration.

AREAS OF FOCUS

Creative Content & Visual Design | Sales & Business Development | Digital Marketing & Social Media Content | E-commerce (Salla) | Warehouse & Inventory Operations

PROFESSIONAL EXPERIENCE

Warehouse Storekeeper — Al Romansiah Co., Riyadh — May 2026 – Present

- Manage the movement of materials and stock within the branch warehouse.
- Request, receive and issue materials through SAP ERP.
- Monitor stock balances, shortages and slow-moving items.
- Prepare inventory reports in Microsoft Excel.
- Conduct periodic stock counts and review variances.
- Coordinate with operational departments to keep work requirements supplied.
- Monitor waste and improve the use of resources.

> **Key result:** Contributed to reducing the branch waste indicator from 1.80% to 0.80% within four months, per work reports.

Delivery Representative & Customer Service — Al Romansiah Co., Riyadh — Apr 2025 – Apr 2026

- Served customers directly and managed day-to-day customer communication.
- Followed up on orders and coordinated to ensure accurate delivery.
- Handled and resolved customer complaints.

Digital Marketing & Branch Sales — Top Town Medical Mattress Factory (COCOONZ), Jeddah — 2024 – 2025

- Marketed products digitally and created and developed marketing content.
- Managed products and the online store on the Salla e-commerce platform.
- Ran and monitored Google Ads campaigns and worked on search engine optimization (SEO).
- Supported local branch visibility through Google Maps.
- Coordinated with influencers on promotional activities.
- Supported sales across three branches and trained sales staff.
- Improved product presentation and the in-store customer experience.

Sales & Business Development — Al Fanar Contracting Est., Tabuk — 4-month assignment

- Prospected potential clients and handled client communication.
- Prepared price quotations and followed up on sales opportunities.
- Proposed solutions matched to client needs.

Sales & Customer Service — Jawharat Ramah Supermarket, Saudi Arabia — 2022 – 2023

- Handled direct retail sales and customer service.
- Helped customers choose products and built communication and persuasion skills.

CREATIVE PORTFOLIO & SELECTED PROJECTS

Self-initiated personal and independent projects — not client or employer work.

AYWISE — Brand Identity & Perfume Campaign Concept
Original fictional luxury fragrance brand ("Beyond Scent"): visual identity, packaging, typography and art direction, extended into an Arabic RTL mobile app UX/UI concept.

COCOONZ "Beyond Comfort" — AI-Assisted Ad Concepts
Six independent advertising concepts for a mattress and bedding brand, presented as a portfolio case study. Not commissioned or approved by COCOONZ.

Ayman Inventory Intelligence
Bilingual (Arabic/English) inventory analytics project built on synthetic data — an Excel workbook followed by a web dashboard.
